Second Church to Call a Pastor

Voted Unanimously for Rev. Herbert J. Wyckoff of New Haven who has been Associate Pastor of the United Church-Committee to Act with Society Committee in Extending a Call.

with three from the society to extend the call to Rev. Mr. Wyckoff. He named Joseph D. Haviland, Mrs. J. M. Huntington and Henry D. Johnson as the committee. The society will meet Wednesday for their action. Wednesday for their action.

There were four ministers who were invited here by the supply committee and of the four there was a very strong feeling that Rev. Mr. Wyckoff would make an excellent pastor for the church, inasmuch as he is a strong pastoral and Sunday school worker and a brilliant oreacher. It was not and a brilliant preacher. It was not considered desirable to look further. The committee having charge of the supplies included Henry D. Johnson, chairman, Mrs. J. H. Larrabee, Dwight L. Allen, Joseph D. Haviland, Arthur L. Peale and C. Arthur Lathrop, Chairman Johnson read several letters which and a brilliant preacher. It was not considered desirable to look further. The committee having charge of the supplies included Henry D. Johnson, chairman, Mrs. J. H. Larrabee, Dwight L. Allen, Joseph D. Havliand, Arthur L. Peale and C. Arthur Lathrop. Chairman Johnson read several letters which he had received from several people in New Haven, as well as officers in the United church, regarding the work of Rev. Mr. Wyckoff, all of which were most favorable to him. The deaconess of the church, the assistant Sunday school superintendent and Dr. Anderson, secretary of the national council all wrote in the highest terms of his work and personality.

Minute Adopted by United Church. The following minute adopted by the United church was read by Mr. John-

CALVIN L. HARWOOD TEMPORARY TREASURER. chester Road-Additional Director

Walter S. Garde of Hartford was elected an additional director of the Norwich, Colchester and Hartford Traction company at a directors' meeting held Thursday morning in Brown & Parker's office. All the directors were present with the exception of John R. Backus of Colchester and Henry W. Tibbits of this city.

As temporary treasurer of the company, Calvin L. Harwood of this city was chosen to fill the place left vacant by the recent resignation of Mr. Tib-

The custom of placing loose coins in rural letter boxes for the payment for stamps has grown to such an ex-tent that the department has issued an order forbidding the carriers to collect money left in the boxes in that man-ner. It was issued hast week by the fourth assistant postmaster general. The new order will be received with delight by the rural carriers, for their work has been seriously inconvenienc-ed by the practice and often they lose the money while getting it out of the boxes. The order is in part as fol-

In view of the extent to which the practice of placing loose coins in box-es by rural petrons has grown, and the delay in the delivery and collection of mail and the hardship imposed on rural letter carriers incident thereto, you are informed that on February 15, 1910, rural letter carriers will not be requir-ed to collect loose coins from rural

Growing Countries.

The census department of Canada estimates the present population of the Dominion to be 7,350,900. The distribution by sections is: Maritime provinces, 1,037,112; Quebec, 2,088,461; Ontario, 2,618,025; Western provinces, 1,371,164; unorganized territories, 50 2016 58,309.

It is not surprising that Canada with her many resources and her It is not surprising that Canada, with her many resources and her healthful climate and varied opportunities for industrial wealth-seekers, should grow all the time. A sturdy race which increases by the excess of births over deaths is continually being reinforced by immigration, and that of the best kind. The consuming power of the population of Canada is very large, and accounts for the heavy importations of foreign goods and the excellent support given to home indusexcellent support given to home indus-

tries.

Argentina, with about a million less population than Canada is rapidly increasing in wealth. It is interesting to see that the influx of immigrants into this country from Spain continues, just as it does in the case of Cuba and Argentina. The ancient Iberian motherland still breeds a sturdy race which sends its sons to former colonies.—Mexican Herald.

Watertown.—The coasting on some of the bills is the best is has been this season and large parties of young peo-ple are enjoying the fun.

make the record that the United church owes much of the high hope and confidence with which it begins another period of its history to the conditions created in these last two years by the good work and the good spirit of its associate pastor.

We therefore offer this minute and suggest its adoption and entry upon the records of the church, as expression of our gratitude for the past, and of our warmest hope for a full measure of happiness and usefulness in the future.

Rev. H. J. Wyckoff.

Rev. Herbert J. Wyckoff was born in Elizabeth, N. J., Dec. 16, 1870. He is a son of Rev. J. L. R. Wyckoff, for thirty-nine years pastor of the North church in Woodbury, Conn., and is the fifth minister in direct line of descent in his family. He was educated in the public family. He was educated in the public and private schools of Woodbury. He is a graduate of Yale in the class of 1882, when he finished his academic course. He took up the study of law and graduated from the law department in 1896. Deciding to enter the ministry, he entered the theological department, from which he graduated in 1898, and for twelve years he has been in the ministry.

He has hed pastorates in the west

BOARD OF RELIEF

Elected by Norwich, Hartford and Col- State Tax Commissioner Thinks They Should Not Stop Before Then.

The local board of relief has received from Tax Commissioner Corbin the following self explanatory letter:

"At the meeting of the members of the boards of relief held at the state capitol Thursday afternoon, Jan. 27th, there was considerable discussion as to whether Feb. 21st of this year could be included among the days in which the board of relief could hear appeals, as provided in Section 2352 of the general statutes.

statutes.
"I have taken up the matter further was chosen to fill the place left vacant by the recent resignation of Mr. Tibbits. For a permanent secretary, a Hartford man will be secured later, it was stated at the meeting.

NEW ORDER.

Rural Patrons Informed They Must Not Place Loose Coins in Letter Boxes.

The custom of placing loose coins in rural letter boxes for the payment had been a session previous to that

had been a session previous to that time, and, further, that no board of relief should adjourn linally until or or after the list dur.

"I have given you this information, thinking possibly that it may guide the action of your board relative to dates for hearings, etc."

Two Countries.

Australia has an area nearly as large as the United States. It is populated by English, Scotch and Irish. They are more British than the Eng-They are more British than the English themselves. Speaking of the working classes, a recent traveler says: "Not one that I saw looked jaded or worn, but all appeared happy and wholesome. The girls especially looked happy, trim and neat. They were not tired out, as most of our working girls are when their day's work is done, because they had been treated with consideration, which is necessary under the strict labor laws." There are few, if any, slums. Neither are boxes.

"Patrons should enclose coins in an envelope, wrap them securely in a piece of paper, or deposit them in a coin-holding receptacle, so that they can be easily and quickly taken from the boxes, and carriers will be required to lift such coins, and, where accompanied by mail for dispatch, attach the requisite stamps."

done, because the decessary with consideration, which is necessary under the strict labor laws." There are few, if any, slums. Neither are there labor strikes. When an employe has a grievance, he presents it to the arbitration court. The employer is cited into court and compelled to put in his defense. When the case is decided, the decision stands for three years—and the court enforces its deyears—and the court enforces its decisions. One judge in Melbourne, after careful investigation, gave a goldmining company the option of paying living wages or closing down the property. One law prohibits women from working in a factory or business house between the hours of 6 in the evening and 6 in the morning. The same law applies to boys under 18. When communities lack high schools, the pupils munities lack high schools, the pupils are transported free on the government railroads to the nearest high school—in one case as far as 60 miles. Telegrams to any part of the country cost 12 cents. The government telegraph service was operated at a loss until the present low rates went into effect. It is now profit-earning. New Zealand is said to have the largest national debt of any country in the world. This does not seem to worry the New Zealanders, who borrow money at 3 per cent and make 6 her cent—Editional in Collier's weekly.

The Back-Yard Cat; or, Does He Mean It?

As far back as we can remember, the back-yard cat has been held up to the scorn of the commonplace critic and the contumely of the hebetualnous hack writer. Innumerable bootjacks have been thrown at him. He has been driven from fence to fence without mercy. Hunted and assailed and starved no reproach has been too bit-ter to fasten upon him, and no jest too

why the agonies of a fellow creature—for he is only removed from us by a few vertebrae—should be so exceedingly funny, we have long been puzzled to know. Why his lonely midnight vigils should excite such cruelty is a puzzle.

We have long held a theory, however that the souls of those parrow

ever that the souls of those narrow and misguided people who are so ready to assail the back-yard cat are, when they are released from this mortal frame, compelled to inhabit the bedies of cats, and themselves roam from fence to fence, in perpetual torment It is from these unhanny creatment. It is from these unhappy creatures, and not from the actual back-yard cat, that agonizing cries come in the midnight hour.

HEARINGS ON FEB. 21. piercing with fearful shriliness the inky night, please remember that it is the voice of Smith or of Jones, who, when he was alive, passed his hours in throwing things at some unfortu-nate animal:

The real cats suffer in silence. Only The real cats suffer in shence. Only when you come up to them quietly in the daytime as they sit and sun themselves, and show them that you are their friend, will they answer you with an expressive "meow."—February Lip-

Anti-Christian France. Evidence accumulates that France, in its reaction from a particular form of Christian truth and policy, has gone of Christian truth and policy, has gone far on the way toward anti-religious views of a particularly secular and virulent form. Its state schools, that were once pledged to neutrality in matters of religion, are now, in many cases, agencies for attack on religion as such; and the secular conception of the state and the anti-religious tenor of governmental policy have gone forth into the colonies. Under pressure from British official protest in supprt of British missionaries laboring in Madagascar, France has just been forced to remove a governorbeen forced to remove a governor-general who had used his official po-

Food Fermenting Causes Indigestion

"I got a box of Mi-o-na tablets for a distress in my stomach, and the first dose relieved me, and after I took the fourth I have not felt any more of it. I think it is a wonderful medicine."—Hiram Shultz, Watseka, ill., July 27.

Is What Counts
